ABOUT ROCK SPRINGS RETREAT CENTER

Get Ready to Celebrate Differently

Escape the hustle and bustle of the city and immerse yourself in the natural beauty of Rock Springs Retreat Center, an exceptional 200-acre private property that serves as a perfect backdrop for any and all occasions. Located in Middle Tennessee, Rock Springs provides a superb blend of rustic charm and modern amenities. From majestic weddings, intimate celebrations, and extravagant corporate events to serene self-hosted retreats, our indoor and outdoor event venues cater to gatherings of all sizes and occasions.

And that's not all! We specialize in unforgettable experiences that'll take your event to the next level with our convenient onsite bar services, overnight accommodations, and engaging entertainment options that cater to endless fun.

Imagine tying the knot and then throwing axes, riding a mechanical bull at a family reunion, or reinforcing corporate learning through both traditional and unique team-building activities including an obstacle course; there's something for everyone at Rock Springs. Not to mention that we also offer access to our fitness retreat's 18,000 sqft custom-built fitness facilities that'll add a unique and healthy dimension to your self-hosted retreat.

At Rock Springs, we offer something different than the norm. Our facilities and services are top-notch, and our team is passionate about making your event one-of-a-kind. If you want to impress your guests and create an event that they'll never forget, then Rock Springs is the perfect choice.

I can summarize my experience with Rock Springs in one word... complete.

Kris and Tari were quite the duo to work with for my daughter's wedding. They shared options while listening for direction. They met deadlines in a crunch and timely manner. They were flexible yet precise in all the details.
